Re: Case No. 80-500037
Kathy Trunko
Homicide

On 21 January 1980 Robert LaGace was brought into the laboratory by Investigators Bedran and Rochowicz of Area 3, Homicide. This subject was to be given a polygraph examination in connection with the above captioned crime which occurred on 19 January 1980 at 4936 S. Paulina.

Robert LaGace was given four polygraph tests. This subject's polygraph records were erratic to the extent that the examiner is prevented from rendering a decision regarding his status in this investigation.

In addition, it is suggested that he be re-examined on a future date if the investigators deem it advisable.
